

Marketplace Transformation Seminar

with **Barbara Chan**

Barbara spent 18 years as a district Court Judge in Hong Kong. In this capacity she saw many miracles in response to intercessory prayer. Barbara now heads up the ministry of Harvest Evangelism (Ed Silvoso) in the city. Barbara has a passion for us to receive the heart of the Father so that we can serve the Father with the fullness of the Father's love in the marketplace. She is in contact with pastors, government leaders, business leaders to bring transformation to cities, districts and nations by encouraging them to bring the kingdom and presence of God in these spheres.
